

DR. B.R ADCL EMPLOYEES' ASSOCIATION(R)

Ref No. **AGM/2022-23/2**

Date...**30.10.2022**

Dear Members,

"NOTHING IS MORE EXPENSIVE THAN A MISSED OPPORTUNITY"

As per rules and bye-laws of the Association, we are a day away from making ourselves eligible for voting and contesting.

Those who don't make payment of the registration fee by tomorrow will automatically become ineligible to contest and vote for office bearers election.

We are keeping you all informed to avoid such a situation. Please pay the fee and submit the membership form by tomorrow. Otherwise, we may lose the opportunity for the next three years.

Because we are on the verge of creating the first-ever milestone in the corporation by electing our leaders to lead and secure our welfare.

It is our fortune to have the GIANTS of our corporation as a part of this association. They have all assured us of the best possible support in our journey.

We hope we all act sensibly to take this association forward forever and ever. Kindly ensure that you have made yourself eligible to be a part of this celebration.

Act fast and be responsible.

For BRADCEA
